TO WHOM IT MAY CONCERN:

Please find enclosed a reference for Ms Hannah Williamson.

I have known Hannah for a period of ten years, working alongside the Religious Education Department within the school. Hannah has been deeply involved in preparing units of work for years 7 – 11. This involves powerpoint displays, information sheets, questionnaires and organising outside speakers. She has also been involved in teaching groups aged from 12 to 16 years old.

The students really look forward to Hannah and her team coming into the school as she has a very approachable manner and her teaching is focused and inspirational.

Hannah and her team have also been a support to individual young people facing difficulties at home and subject to child protection issues, along with those young people who are in care. Liaising with myself as the Child Protection Co-ordinator, Hannah and her team have been able to offer support to those facing challenging circumstances.

Hannah is very dedicated, trustworthy and supportive. Both staff and students have nothing but praise and admiration for Hannah. The partnership that we have built up over the years – between Bethel Church is growing in strength.

Yours sincerely
