To Whom it may Concern

I met Reg Awoliyi Cruz Project Coordinator from The Bethel Church last April 2014. Reg explained to me all about the Cruz Project and how it could benefit our young people at The Warren.

I invited Reg and Kendra in to our school for two days a week. Reg and Kendra were very proactive with mentoring targeted pupils. Plus they were very supportive with our small groups that we run within school. Our pupils really liked Reg and Kendra and were happy to be mentored by them.

The Cruz Project is vital to young people living within the area and I wish the project every success in the future.

Kind regards

Mrs Lisa Lawless
